## GATE MEETINGS

Gate meetings are important platforms for the discipling of Gatekeepers in the marketplace. We meet weekly in small groups to be equipped for their responsibilities in transforming the world that God has placed them in. These Gate Meetings are conducted using the 8Ws format: Worship, Witness, Word, Works, Will, Way, Watch & Pray and Walk.

Visit our website at <https://fgb.org.sg/> or contact us at [office@fgb.org.sg](mailto:office@fgb.org.sg) to find out more! See you online!

## OUR YOUNG GATEKEEPERS FELLOWSHIP

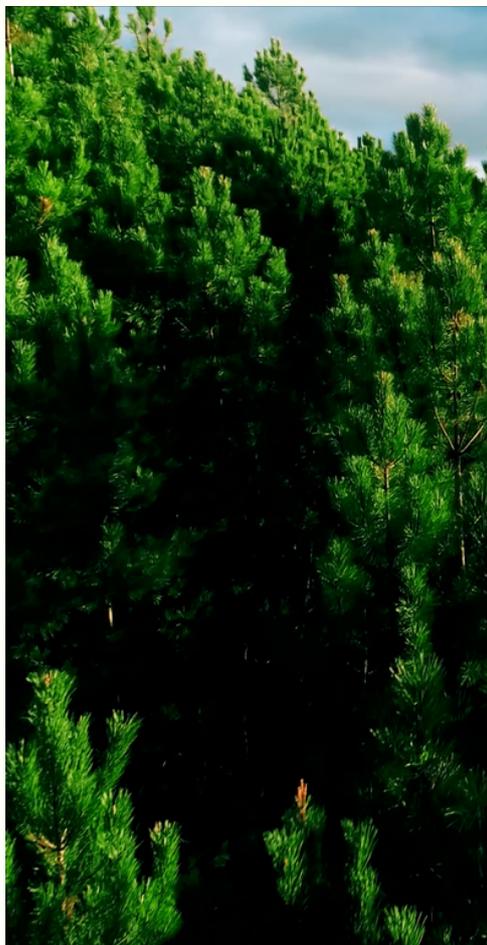

"The future of this nation depends on the Christian training of our youth." George Washington. This was beautifully spoken by the first president of the United States and how true it is even for us here in Singapore today. The youth of today are the future of this nation

and just like how a healthy seed grows into a remarkable tree if only we diligently water and watch over the seed, we too must train and equip our Young Gatekeepers (YGK).

Our YGKs gather every month. Beyond having large events and webinars, - small meetings like our YGK meetings foster meaningful relationships and spiritual growth. You will find opportunities to connect and grow with people who have similar life experiences and who can encourage you on your faith journey and vice versa. Do reach out to our staff to find out more about our exciting happenings.

# WHAT YOU MIGHT HAVE MISSED AT GATEKEEPERS (SINGAPORE)...

## THE REDEPTIVE NARRATIVE VIDEO SERIES

For those of us in the faith, understanding our purpose, and making sense of all of life, what we do and where it all ends, can best be understood if we comprehend God’s Big Idea for humanity. His Big Idea is revealed in the meta-narrative of the Holy Bible and comprises essentially four interwoven stories – **Creation, Fall, Redemption, and Restoration.**

This series on the Redemptive Narrative will help Gatekeepers understand why we do what we do. Join us in the upcoming weeks as we release our home made video documentary on God’s Big Idea. Following the series, we will share details of Gatekeepers Singapore’s strategy for 2021. To view the series, please click the button below.

## GATEKEEPERS 45TH ANNIVERSARY EBOOK

A tumultuous 2020 has just ended. Despite the severe challenges, we have much to rejoice and give thanks to God for the progress we have made as a nation in fighting Covid-19 as well as for Gatekeepers Singapore. With the crisis continuing unabated, our fellowship has pivoted to a

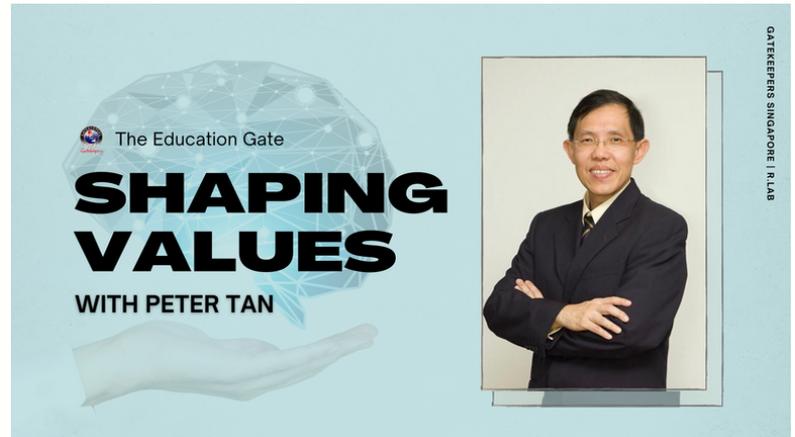

fresh direction to advance His Kingdom in response to the transformed landscape. 2020 also marked our 45th anniversary since founding. We have produced an e-yearbook to commemorate our 45th anniversary. To view the e-yearbook, you may click the button below!

A post-COVID-19 new normal has arrived. It's no longer be business as usual. Nothing is spared, be it jobs or businesses and in response, Gatekeepers Singapore has launched a new initiative in the business gate called R-Lab.

Education shapes the minds and hearts of people. Satan knows the importance of education and is hard at work luring our children away from God's truths and is laying siege everywhere. As disciples and ambassadors of Jesus Christ, how should parents and those involved in the Education Gate act?

In collaboration with Love Singapore and other marketplace ministries, we hosted a virtual seminar on 'Navigating and Thriving Through The Pandemic Storms', featuring well-known speakers who are authoritative in their respective fields.

The heart of the matter concerns matters of the heart. The pandemic has brought to fore issues of the family and relationships. In this event, we heard Strategic Gatekeeper Ong Ai Boon pour out her heart on what God had spoken to her about women and family.
