

GOOD NEWS

A bi-monthly Gatekeepers (Singapore) newsletter

What are you like before and after the Covid 19 ?

Covid 19 ravaging the world over which is unprecedented that none is spared, from R&D, manufacture to distribution, it is an acid test of morality for mankind, it is also the watershed for civilization which sets apart the good and the bad people.

As for us Christian, the disciple of our Lord Jesus Christ, the pandemic displays the foundation of our faith which clearly differentiates us the believer who serves God and those who don't

God is inclining His ear to our discourse under the pandemic. May the Spirit of God fill us daily, bestow His wisdom upon every gatekeeper to fear His name, to keep our tongue from evil and our lips from speaking lies; to serve our nation, to pray for our national leaders to act justly, to love mercy and to walk humbly with God.

Mal 3: 16- 18 says "Then those who feared the Lord spoke to one another, and the Lord listened and heard them; so a book of remembrance was written before Him , For those who fear the Lord , and who meditate on His name.

"They shall be Mine," says the Lord of hosts, "On the day that I make them My jewels And I will spare them, As a man spares his own son who serves him. Then you shall again discern between the righteous and the wicked, between one who serves God and one who does not serve Him.

We belong to our Jehovah God, for His appointed time, we turn towards God intentionally, wholeheartedly devoted to serve Him, worship and adore our Lord Jesus Christ.

UPCOMING EVENTS

1ST DEC 2021 WEDNESDAY | 9.30AM - 11.30AM

The vision of One for Jesus (OFJ) movement is to ignite EVERY Christian in EVERY church to share the love and gospel of Jesus, and to awaken every Christian to fulfill the Great Commission (Matthew 28:19).

The inaugural launch of OFJ will be held from 9.30 am to 11.30 am, on Wed, 1st Dec 2021.

At the launch event, One for Jesus will be presenting the findings from the National Survey on the State of Evangelism in Singapore Churches. Dr. Ho Boon Tiong, our principal researcher, will present key findings that will offer insights into how Christians perceive evangelism; inform churches of existing beliefs and practices in Christian witnessing amongst church-going members, and help churches decide how witnessing efforts might be supported.

Due to limited onsite space, those whom we are unable to host onsite will be given access links to attend the event online via zoom.

There is thus no limit to the number of pastors, church leaders, or staff who can attend the hybrid launch event, but all who wish to do so need to register in order to receive follow-up notifications.

More details will be released soon so do keep a lookout for this event!

25TH NOV & 9TH DEC | 8PM - 9:30PM | VIA ZOOM

Chaired by Directors of Young Gatekeepers, Sherman and Evangeline Ng, Young Gatekeepers consist of members aged 40 years and below. The purpose of these fellowship meetings is to bring together the next generation of gatekeepers and equip them in bringing Kingdom values into their respective industries and the 7 gates. In addition to mentoring and knowledge impartation, these meetings aim to foster a close knit community for our young gatekeepers to learn from and rely on.

Interested parties and their friends may contact gatekeepers at office@gatekeepers.sg to find out more or request to attend.

CREATION CARE: CLIMATE CHANGE & PLASTIC POLLUTION 21 OCT 2021

Over the past decades, the world has made tremendous economic progress but largely at the expense of the environment. As responsible stewards, we are called to rediscover and reclaim the Biblical mandate to care for creation and work toward a healthy pollution-free world and a

stable climate. How can those called to business do business for good? How can they pursue sustainable business practices, steward natural resources responsibly without the destruction of the environment? Speaking on the topic was Tommy Tjiptadjaja from The Gatekeepers Dialogue
